5/6/7 Class

In term 2 students had an idea to create their own Kimochi's. With the help of Kate LeCouter and Michelle Fowler, students designed, sewed and created a variety of Kimochi's. Each Kimochi has its very own story book. This student led initiative incorporates the learning areas of literacy, math's and technology. Students also showed the powerful learner qualities of resilience, bravery, teamwork and that they could make connections in their learning. In term 3 the students will share their stories with the R/1/2 class.

AFRICAN BEAT PERFORMANCE

NAIDOC WEEK

The last week of Term 2, Callington Primary School celebrated NAIDOC week, undertaking various activities. Braving the blustery conditions on the Thursday, Uncle Ivan Copley a local Peramangk Elder conducted a welcome to land with a smoking ceremony and the lighting of a camp fire in a traditional manner using flint. He then gave talks to each class in the Resource Centre demonstrating various Aboriginal Artefacts and told stories about Peramangk Culture. Thanks to the kind donations of rocks for our camp fire from Hanson Construction and fresh potatoes that were baked in the coals, donated by Sarah's (in the office) Dad and SA Potato Company at Mount Barker. We also baked a damper which students were able to try with quandong jam. A great day was had by all.

Kindy News - Term 3

Sharing stories together is so important to building strong literacy skills, this is one of the main ways children learn the vocabulary to use for reading and writing at school.

More beginning literacy skills - fine motor muscle development for pencil grip and control ready for writing.

A love of reading is one of the greatest gifts we can give our children.

Noticing - sets children up to look carefully at the shapes of letters and numbers to help with recognising them.
